Proceedings of the Special General Meeting of the City Municipal Council, Bangalore, held on 30-12-1943

Then, Mr V Venktaswamy Chetty requested the President to advance his proposition and when put to vote 4 voted for and none against it Hence the proposition was advanced and taken up for consideration

As desired by the Members, the President read out the note placed before the Council by the Commissioner in this connection

Mr V Venktaswamy Chetty said that the Council had already laid down a principle that only persons appointed by the Council and those that are serving in the Municipality should be encouraged, and that a list of such officials only was called for But the Commissioner had given a list of all the Sanitary Inspectors and other officials who had come from other Departments, who would stay here for some time and go away The object of his moving the proposition was to encourage the employees of this Municipality and he requested that the Council might kindly pass the proposition

Mr C N Narasinga Rao said that the resolution met all the points and the resolution could be accepted and a chance created to our own men who have toiled hard in the Municipality He said that though there was Mr Kulasekhara Mudaliar who was drawing a higher salary than Mr S Sreenivasaiya, his claim for the post of the Octroi Superintendent could not be taken into consideration only because he is drawing a higher salary

The President said "If you had not called for a list from the Commissioner, it would have been a different thing, because no data was available The Government could have considered our resolution passed by the House Now that you have called for a list from the Commissioner, according to the Commissioner's list there is no other Officer excepting Mr N Siddalingappa for the post of Special Revenue Officer, if you want to select one officer from the Municipality Secondly, for the post of Revenue Officer, Mr C Annadanappa, has to be appointed even according to the resolution of the Council and also to the Commssioner's memo But for the post of Octroi Superintendent, according to the Commissioner's Memo, Mr Kulasekhara Mudaliar, a B Sc , in the grade of 75-5-100 already getting Rs 95/- has to be selected but Mr V Venktaswamy Chetty's proposition is to promote Mr S Sreenivasiah, Market Inspector, who is an English Lower Secondary and Police Training and who is getting Rs 72/- in grade 60-4-80 It is for you to pass any resolution For the post of Market Inspector, there are two names in the Commissioner's recommendation and Mr S R Bhombore has been placed in the top He is the man to be recommended for the post of Market Inspector

Mr C N Narasinga Rao said that he still felt that the question of seniority alone should not count, but also the question of service to the Municipality should be counted He did press that the Council would accept the proposition as moved by Mr V Venktaswamy Chetty and said that the matter might be left to the Government for approval or otherwise So far as the Council was concerned, Mr Narasinga Rao said, that that was the best selection they could make

Mr T Gangadharaswamy said that last time when the Council sent a resolution for the appointment of Mr N Siddalingappa and Mr C Annadanappa, as Revenue Officer and Octroi Superintendent the Government did not take notice of the Office Note

Mr H R Guruv Reddy said that seniority should not be overlooked and his protest might be recorded

When the proposition of Mr. V Venktaswamy Chetty was put to vote, it was passed by the House, 16 voting For and 1 Against it

Proceedings of the Special General Meeting of the Bangalore City Municipal Council, Bangalore, held on Tuesday the 28th Dec 1943 at 1 P M ,

Mr V Venktaswamy Chetty moved proposition No 2 -

In moving the proposition Mr V Venktaswamy Chetty said that though he had requested in the last meeting, the Commissioner had not placed before the Council a list of names of Municipal Employee who were eligible for the post of the Special Revenue Officer On the otherhand, he had called for a panel of names of Amildars It was the intention of the Council to encourage men working in the Municipality itself by giving them some promotions

Seconding the proposition, Mr T Gangadharaswamy said that even Government had accepted the principle of appointing its own Officials whenever chances of promotion occurred He was sure that if the Municipal Employees were appointed, they would attend to the work with greater zeal and care

The Commissioner said that he had no time to put up a seniority list and that he would do so at the next Meeting of the Council

Mr M A Gopalaswamy Iyengar said that the resolution be passed that only Municipal Employees should be appointed

The President said that there was already a Council resolution that as far as possible Municipal Employees should be appointed and that therefore there was no need to pass another resolution

Mr H R Guruv Reddy said that the candidates to be selected should be appointed by the Council and they must be those who have served in the Municipality This principle should be strictly followed

Subject - Regarding the appointment of the Special Revenue Officer for the revision of the Assessed Taxes.

During the year 1942-43, the percentage of collection of the assessed taxes was only 55 2% which is not satisfactory The arrears of Municipal Taxes and Market Dues outstanding recovery are very heavy. The Collection Work will generally be slack during the first half year of every year and it will have to go on vigorously during the second half year. If arrangements to fill up the post of the Special Revenue Officer are made as per the proposition moved by Mr V. Venkataswamy Chetty, the Collection Work will be very much hampered, as it takes sometime to the new officers to acquaint themselves with the local situation and the nature of work to be attended to by them Besides, the appointment of the Special - Revenue Officer is only a temporary one for a period of one or two years and any change among the permanent - Officers of the Municipality is not desirable as it dislocates the work both in the Revenue and Octroi Departments It is also feared that the influence which the Municipal Officers wield with the local pepple may come in the way of the satisfactory execution of the revision work In the interest of Municipal Revenue, it is suggested that an Amildar from the panel of names received from the Revenue Commissioner may be selected to the post of the Special Revenue Officer In case the Council desides to select one to the post from among the Municipal Employees, a list of the Municipal Officers whose claims ~~ought~~ have to be considered is herein enclosed

A place on Rs 35/- atleast in the executive line will have to be released for direct recruitment

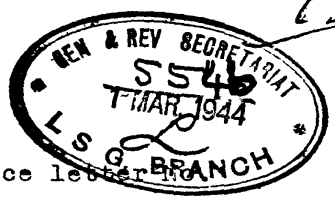
Dated 29th Feb , 1944



Dear Mr Narayanaswamy Naidu,

In inviting reference to this Office letter No 45-C 349/42-43 dated 24th Feb , 1944 regarding the appointment of Special Revenue Officer, etc , I write to state that, if arrangements to fill up the post of the Special Revenue Officer, are made as per the resolution of the Municipal Council dated 30-12-1943, moved by Mr V Venkataswamy Chetty, the collection work would considerably suffer as it involves changes of all the Officers who are entrusted with the collection of Municipal revenue It may also be stated that the influence the Municipal Employees wield with the local people might come in the way of satisfactory execution of revision work The collection of assessed taxes during the year 1942-43 was not satisfactory, the percentage of collection being only 55% of the demand and further, the arrears of Municipal taxes and Market dues outstanding recovery are very heavy The collection work will be generally slack during the first half year of every year and it will have to go on vigorously during the second half year Besides, the appointment of the Special Revenue Officer is only a temporary one for a period of two years and any change

among the permanent officers of the Municipality to fill up this post is not desirable in the interest of collection of Municipal Revenue and Octroi duty In these circumstances, I feel that it would be feasible to appoint an Amildar from the panel of names received from the Revenue Commissioner in Mysore, Bangalore, to the post of Special Revenue Officer

Mr S Sreenivasiah, Market Inspector on Rs 72/- in grade Rs 60-4-80 who is now recommended to be appointed as the Octroi Superintendent in grade Rs 100-10-150-25/2-250/- which is interchangeable with the Amildars, does not possess the qualification required for the post of an Officer as he has passed only English Lower Secondary and Police Training School Examinations The post of the Market - Inspector is an Executive appointment with a graded pay of Rs 60-4-80 and Mr S R Bhombore, who is now recommended to be appointed as Market Inspector in grade Rs 60-4-80 is working in the Ministerial line as a Clerk on Rs 60/- in grade Rs 50-2-60

For the reasons explained above, I am not in favour of giving effect to the said resolution of the Municipal Council in the interest of Municipal work

Yours sincerely,

4 Deferred Sub No 9/16-5-1944 Letter No L 10165/41 165-43-6 dated 30-5-1944 from the Law Secretary that an Amildar from the panel of names sent by the Revenue Commissioner may be selected for appointment as Special Revenue Officer in connection with the General Revision of Assessment

The President informed the House that, in connection with the General Revision of Assessment, the Council had resolved to appoint the Revenue Officer as Special Revenue Officer, and had suggested consequential arrangements, which the Government had turned down and said that one of the Amildars in the panel of names sent by the Revenue Commissioner may be appointed as Special Revenue Officer The appointment of Special Revenue Officer was the prerogative of the Municipal Council and the sanction of Government was only necessary for this selection

Mr P R Ramiah moved that the previous resolution of the Municipal Council be re-affirmed and Mr K Narayana Iyengar seconded it

Mr D Venkataramanappa opposing it said that the matter had been sufficiently delayed, and if they had only selected one from the list, there would have been a great increase in the income of the Municipality The Government did not approve of their resolution and wanted them to select one from the list and he saw no reason why it should not be done There was no good in sending the resolution again and fighting with Government The power of appointment vested in them and the Government also did not insist that such and such a person alone should be selected

Mr G P Ethirajulu Naidu observed that, by doing as per suggestion of the previous speaker, they will be losing their rights Further, local Officers will be in the know of the state of affairs here and are quite competent to handle any situation If any new person is selected, that officer would require some time to study the local conditions and thus there would be delay and loss So, he supported the resolution moved by Mr P R Ramiah

Mr Mirza Azizulla Beig wanted to know whether by re-affirming their previous resolution, they would be ignoring the letter from Government and the President said that while making a reference to Government, they might make it clear that the Council is of opinion that our own officers are quite able to discharge their duties satisfactorily

Mr P Shivashankar said that they are not bound by the Government list and are at liberty to choose their own ~~xxxx~~ men

The President observed that in this matter the Council was the final authority The sanction of Government was necessary for the post and not for the appointment of any person The Government could not take away this power of the Council

The proposition of Mr P R Ramiah was put to vote and carried, 17 voting for and one against

Sir,

With reference to the correspondence ending with your letter No A5 c349/42-43 Dy 31-7-44 submitting proposals in regard to the appointments to be made in connection with the revision of assessment on lands & buildings in the city, I am directed to state ~~that it~~ Mgt not would not be in the interests of the Mcp to disturb the Rev officer & the Octroi Supdt from their present positions & that the said proposal also involves the promotion of some unqualified officials ~~of the Octroi~~ the revision of the assessment in the Premier Mcp is of a very ~~responsible~~ responsible nature, & it is ~~considered~~ desirable to post for the work two ~~fresh competent~~ officers of sufficient status from the Rev Dept

Having regard to the fact that the assessment work which is in the interest of the finances of the Mcp has been already delayed too long, I am to state that it is desirable to entrust this work to two Asst Commissioners of the Rev Dept & have it completed expeditiously
